\_\_\_\_\_
5. Which is the only country to have appeared at every world cup?  
\_\_\_\_\_
6. How long do the winners retain the trophy?  
\_\_\_\_\_

The World Cup is held once every four years. It is the largest sporting event on Earth watched by people from every nation. The sport's governing body is FIFA. The first tournament was held in nineteen thirty. The current format of the world cup involves thirty two teams playing in different groups. Brazil has won the world cup a record five times and they are the only team to have played in every world cup tournament. World cup winners retain the trophy until the next tournament.
